THE PEOPLE OF THE STATE OF NEW YORK

KEVIN PERRY 07/27/1994

I, Thomas A. Perry of 60 James Street Apt. 1 Amsterdam NY, 12010. I give this deposition to Investigator William W. Henn of the Otsego County Sheriff's Office. The time is 11:52 AM, I state the following:

I am the brother of Timothy Perry and the uncle of Kevin Perry. I came home Tuesday night December 12th around 8 pm and my fiancée Cindy Reinhart told me that she had received a missed call Tim's house around 530 pm. Cindy further told me that she called back and spoke with Tim, and could hear Kevin yelling at him in the background. Cindy only said that Tim said that he was not the one who called. Kevin usually calls up to my house to get a ride here when he does not want to be home. Kevin drinks a lot and never got a license that I know of. Later that night I was at my son Tommy's house and he got a phone call around 9 pm from my nephew Jeff in Laurens. Tommy told me that Jeff had just informed him that Kevin stabbed his parents to death and that Kevin was now on his way to our house. I, Tommy, my grandson Brandon, and Cindy decided to drive down to Laurens to be with the family. Kevin would usually come to my house about every other week. He would spend the nights in Amsterdam at Tommy's house, and other times he would just drink and go home. Kevin would get a ride or my brother would have to come get him. Last Saturday night, December 9th 2017, Kevin and his older brother Timmy came up to my house for a few hours and drank. Timmy, Kevin and Brandon all left to head down to Oneonta and Laurens. Cindy and I went to my bother Tom's house on Monday December 11th 2017 to pick up Brandon, and bring him home to Amsterdam. Kevin and Tom were there at the house, and the house seemed calm and quiet. Kevin walked out on the porch as we were leaving and asked if I could talk with Cindy about picking him up on the 31st to go to Amsterdam. I told him I would talk to her and see.

When Kevin drinks too much he can be mellow or he can be off the wall. It was not unusual for Kevin to get angry and want to fight when he was drinking. Kevin, had on multiple occasions, said when he was drinking that he was going to kill his parents. Kevin never said how or why, or even offered an explanation as to why he would say that. When he would say it, I would yell at him and tell him not to say that and that we don't want to hear that kind of talk. Kevin often did not recall saying those things when he sobered up. I don't recall Kevin ever becoming physically violent like this when he was drinking but he would get very angry and mouthy. I don't know what would make him kill my brother and Sister-in-law.

KEVIN PERRY 07/27/1994

I, Cindy R. Reinhart of 60 James St. Apt 1 Amsterdam NY, 12010. I give this deposition to Investigator William W. Henn of the Otsego County Sheriff's Office. The time is 12:47, I state the following:

I am the fiancé of Thomas Perry Sr. and we have been together for seven years. I have known the Perry family for over 21 years. On Tuesday December 12th 2017 at about 5:00 pm I received a phone call from Tim Perry's house number and I missed it. I immediately called it right back and Tim answered the phone, and asked 'What do you want?' I could tell by the tone of his voice that something was going on. I began to tell Tim why I called, and Tim began yelling at Kevin about calling here. I could hear Kevin and Tim yelling angrily back and forth. I said to Tim that 'Someone called here from that house' and again I could hear Kevin and Tim arguing. I heard Kevin yell from across the room, that he wanted speak with his Uncle Tom. I said that he was not home. The arguing sounded really bad, probably the worse I ever heard them argue. It may have gotten physical at one point as they sounded so angry. Tim was just yelling with Kevin and not talking to me, and it sounded like they were both on the phone with us, so I hung up.

I later checked my message from that missed call, and there was a message from Kevin. He was asking to have me pick him up on the 31st and that he wanted to give me a \$100 for it. It was normal for Kevin to offer and give some money for rides or booze. It was around 9pm that night that I heard from Tommy and Lisa, that Tim and Sue had been killed.

Kevin was always drinking and he didn't seem to care what he had to do to get alcohol. He always got obnoxious and repeating himself, always asking for money and more booze. I only recall Kevin getting violent once about two years, but Tom was able to stop him. I am not sure if Kevin did any drugs, but I heard him talking about getting some 'coke' this summer while we were at a bar together.

SUPPORTING DEPOSITION

Deposition started on Tuesday December 18, 2017 at 11:52 pm

I, Thomas Perry Junior, residing at 73 James Street, Amsterdam, NY make the following allegations of fact to Investigator Jason Munson:

On December 12th, 2017 sometime between 9:00 pm and 9:30 pm I was home watching TV with my son, Kyle, when I missed a phone call from my cousin Jeff Perry through Facebook on my cell phone. Jeff then called our house phone. Jeff told me that Kevin killed my Uncle Tim and Aunt Sue.

Kevin would come to visit me and my family after Kevin would argue with his parents. Kevin and his parents would argue over Kevin making long distance phone calls. Kevin would also visit after receiving his SSI check. Kevin would spend most of his money on alcohol. Tim Perry Junior would usually drive Kevin to our house. There were a few times when Kevin would run out of money while staying with us. Kevin would call home asking for more money or for a ride home. Kevin would get into arguments with his parents over the phone. I have heard Kevin tell his parents at least a couple of times that he should kill them while arguing with them. Kevin would then rant after hanging up the phone. Kevin's anger was mostly directed at his mother. When he would rant, Kevin would be calling her names. My Uncle Tim would usually come and pick Kevin up and bring him home anyway.

SUPPORTING DEPOSITION

Deposition started on Tuesday December 18, 2017 at 12:23 pm

I, Brandon Perry, residing at 73 James Street, Amsterdam, NY make the following allegations of fact to Investigator Jason Munson:

Either Friday December 8th or Saturday December 9th, Tim Perry Junior picked me up from my house so that I could go to a party with him and Kevin Perry. We ended up going out to the bars in Oneonta, NY instead. I ended up spending the weekend at my Uncle Tim and Aunt Sue's house on New Road in the Town of Laurens, because Tim Junior wouldn't give me a ride back home. We left the bars and got back to the house on New Road some time around 4:00 am. Tim Junior argued with Kevin over one of them hitting their father, Tim Senior. Tim Senior came out and broke up the argument and then Tim Junior left. The rest of the weekend was fine, except for Kevin and my Uncle Tim arguing in the late afternoon on Sunday December 10th. I don't know what they were arguing over, but after the argument, Kevin came into the living room with me and said that he was going to kill his parents some day. I've heard Kevin say things like this before several times. I have also heard Kevin tell his parents that he should kill them over the phone a few times while he was at our house in Amsterdam during arguments. I left my Aunt and Uncle's house on Monday December 11th around 10:00 am when my grandfather, Tom Perry Senior, came to pick me up.

I was at my cousin, Jasmine Perry's house in Gloversville, NY when Jasmine got a call from her mother. Jasmine told me her mother had said that Kevin had killed his parents. I never believed that Kevin would actually kill his parents.

#### SUPPORTING DEPOSITION

Deposition started on Tuesday December 26, 2017 at 1:09 p.m.

I, Nicole E. Stilson, residing at 1246 County Hwy 8, Mt. Vision, NY make the following allegations of fact to Investigator Jason Munson:

On Tuesday, December 12, 2017 at about 5:15 am I dropped off my kids, Conner and Kalee, at my parents' house so I could get to work by 7:00 am at Springbrook. I work from 7:00 am to 3:00 pm at the Susquehanna house. I saw my mom, Solveig Perry and I asked her if she could stay home in case the kids didn't have school. My mom told me that she would. My dad and Rebecca had left for work already and everyone else living at the house would have been sleeping.

I worked until 3:00 pm. My husband Tim Stilson picked me up from work shortly after 3:00 pm and then we went to the Mirabito in Laurens on the way home.

We went to my parents' house to pick up Conner, Kalee had color guard practice. We got to my parents' house around 3:20 pm. Rebecca and Lee were leaving the house then, driving towards County Hwy 11. I don't know if Ricky was in the car with them. Kevin came out of the house as I was walking toward the house. Kevin had been drinking alcohol and was drunk. Kevin told me that our dad took Conner and Alyssa to get a Christmas tree. Kevin also told me that I needed to talk with our mom because mom and dad were arguing about mom giving Lee's brother, Ricky, a ride to Oneonta. Kevin followed me into the house, where I picked up Conner's backpack, and then returned to our truck. Kevin followed me back out to our truck and went to the driver's side to talk with my husband. My husband drove us home. The last time I remembered looking at the clock, it was about 4:36 pm. A short time after looking at the clock, my dad arrived to drop off Conner. I talked with my dad for a couple of minutes. He said that he was sick of my mom doing whatever she pleased and not listening to him. My dad also said he was done with my mom. I gave my dad his dehydrator back and he left. I cooked dinner and then we ate. Some time between 8:30 pm and 8:45 pm I went to bed. Lee called me around 9:12 pm telling me that both my parents were dead and Kevin took the truck. My husband saw a post on his friend; Anthony's post stating my parents had been stabbed. We had my in-laws come to our house to watch the kids and then we went to my Uncle Joe's house.

That Monday, December 11th, 2017, Ricky had come over to their house with Lee and Rebecca. My dad told Ricky he wasn't allowed at his house anymore and that he had to leave. I haven't heard Kevin say that he wanted to kill my parents. Kevin would watch shows like "I Almost Got Away with It" and "Killer Kids". Kevin would also watch specials on TV about serial killers.

SUPPORTING DEPOSITION

Deposition started on Tuesday December 26, 2017 at 2:09 p.m.

I, Bobbi-Jo Nye, residing at 1869 State Hwy 8, Mt. Upton, NY make the following allegations of fact to Investigator Jason Munson:

On Saturday, December 9th, 2017 Rebecca and Lee picked me up and brought me to my parents' house from about 10:00 pm to around 12:00 am. My fiancé, Eric Wilcox, picked me up and brought me back home. My brother, Kevin called me on Sunday, December 10th, 2017 some time around 1:00 pm or 2:00 pm. Kevin asked me what I was doing next weekend and told me that he wanted to spend time with me. I could tell that Kevin had been drinking. Kevin has a drinking problem, which started around the time he was 18 years old. I was told that Kevin's cousin, Brandon was staying with him that weekend.

On Tuesday, December 12th, 2017 around 10:00 am, I received a message from Ricky Diamond on Facebook. He asked me what I was doing and I told him that I was going to Norwich. Ricky asked me if I could take him to Norwich, but I told him that I couldn't. Ricky had told me that he was at my parents' house. Rebecca told me later that our parents had argued about Ricky being at their house.

At about 9:05 pm, Rebecca called me from Lee's phone, but I missed the call. Rebecca left me a voice message, but I didn't listen to it. Around 9:38 pm I received a Facebook message from Ricky, telling me that Kevin just killed my parents.

Kevin was close with our dad. He wasn't very close with his mom, Solveig. They would argue about Kevin's drinking and how he spent money. Kevin spent \$500 in one night drinking in the bars in Oneonta. Kevin walked from the bars to Shannon Souza and David Ford's house at Messina Trailer Park. Kevin has had physical arguments with Rebecca in the past. About three weeks ago, Kevin was at my house after we went out drinking. Kevin said that he hated his parents and that he wished his mom would die. I told him to stop talking like that and he did.

On Saturday December 16th, 2017, I visited Kevin at the Otsego County Jail. I asked Kevin what happened. Kevin told me that he blacked out and couldn't remember. Kevin said that he didn't even know the police were behind him until he ran over a spike strip. Kevin also said that if they say it's me that did it, it must have been me. I visited Kevin again on Sunday, December 17th, 2017. I told Kevin about how people believe that there were other people involved. Kevin continued to say that he couldn't remember.

Since our parents' death, other family members, friends, and I have noticed that Rebecca and Lee haven't shown any appropriate emotions for their deaths. Rebecca wants to move back into the house. I mentioned this to Kevin and asked him if he would moved back into the house now. Kevin said that he would not.
